

Stoughton Chamber of Commerce Be-A-Host Program

The **Be-A-Host Program** has already proven itself to be an excellent opportunity for **The Stoughton Chamber of Commerce** and its members for the following reasons:

- * The **Host Participant** benefits through the ability to introduce their business to a captive audience of their fellow chamber members at a minimal expense.
- * The **Chamber** benefits from the funds collected, which help pay administrative costs and increase our charitable fundraising accounts such as scholarships.

As a Be-A-Host Participant you and your business will be the main focus of our attention.

Our meeting format provides ample time for you to introduce yourself and your business, conduct a brief audio/visual presentation or tour your facility!
