

Guest Speaker Information

Stoughton Chamber of Commerce

The **Stoughton Chamber of Commerce** meets at least once every month, from September through June, usually on the first Monday, unless there is a holiday or an extenuating circumstance. These meetings are either **hosted** by the chamber or **sponsored** by a chamber member at their place of business.

Dinner is served prior to the meeting, followed by some introductions and our guest speakers, who are invited to talk about a specific theme topic*. Once introduced, the speaker is asked to give his or her name and whom they represent and to talk about their respective topic. Unless they are a **Silver or Gold Member** of the chamber, we ask that the guest speakers not advertise their own company's products and/or services exclusively.

* If the speaker would like to talk about or advertise their business then we ask that they become a **Stoughton Chamber of Commerce Silver or Gold Member!**

Benefit of Being an SCC Silver or Gold Member

As a **Silver or Gold Member**, you are afforded an opportunity to be a **Guest Speaker** at a future chamber meeting. This would include a **10-minute Commercial** to introduce your products and/or services to your fellow chamber members. **Silver & Gold Members** are also advertised on the back of every **SCC Monthly Newsletter!**
